Our school strategies are showing substantial progress toward our targets

After reviewing our Great Results Guarantee agreement, it is clear that we have made progress toward our targeted outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

- Developed ICPs for each student below NMS
- Timetabled students into specific reading classes
- Timetabled students into an Essentials Class for targeted intervention from the STLAN and Teacher aides
- Utilised Teacher aides for small group intervention and mainstream support
- Used PAT testing for pre and post benchmarks and engaged in regression analysis
